

ITEM# 2

"STEIN'S DIARY" 2015

Michel Alexis

Ink, oil stick on paper
30x22 "

VALUE: \$ 3200

STARTING BID \$ 1500

Artist's statement

"The basic structure of my paintings is derived from a childhood ritual.

Alone, lying down, I would stare for a long time at my bedroom ceiling, a blank square ornamented by an intricate frieze.

There, I would effortlessly reconcile the minimal and Baroque elements of the decor and combine them into imaginary, enigmatic shapes, suspended between the lure of the void and the exuberant profusion of life".
