6 Bouteilles

Dégustation

par Véronique Boss-Drouhin:

"Robe grenat, profonde
comme un écrin.

Les arômes sont pour le moins
intenses, mais avec élégance, et
rappellent la gelée de cerises
assortie de touches boisées et
balsamiques comme le cèdre et,
l'évolution se faisant, c'est
souvent à un véritable fumet
giboyeux que l'on a affaire.

Puis en bouche, généreuse, le
vin montre de la vinosité, de la
sève, de la charpente et du
velours à la fois.

La finale est très aromatique,
évoquant des sirops de fruits et
des décoctions d'épices"

PREMIER CRU

2012
